Warm greetings from the University of Baguio!

The University of Baguio, through its Research, Innovation, Extension and Community Outreach Office (RIECO), is honored to invite your esteemed institution to participate in our annual research event, **UB TRANSCeNDS 004: The University of Baguio Traverses Research Alliance, Networking, and Sharing** as it Celebrates Notable Development and Success to be held on February 13–14, 2026, at FGB Hall, University of Baguio.

UB TRANSCeNDS 004 is designed to serve as a dynamic international platform where both professional and student researchers can share their latest discoveries, insights, and advancements, thereby strengthening the collective academic enterprise in the Philippines and contributing tangible research outputs to the global SDG agenda.

The theme, 'Sustainable Development Goals through Researchers' Lens,' specifically underscores our commitment to building strong research alliances, fostering meaningful networks, and promoting the open sharing of scholarly work essential for tackling complex development challenges. ***The colloquium will feature three clusters focusing on Human Development and Social Equity, Environmental Sustainability and Resource Management, and Innovation, Infrastructure, and Global Partnerships.*** This will serve as an avenue for our curious, creative, and SDG-responsive researchers to:

- engage with peers and experts for constructive feedback and potential collaborative projects;
- strengthen professional and academic networks across the national HEI landscape; and
- contribute to the collective achievements and progress of the university's research community.

To augment the budget prepared by the University on the costs associated with this conference, the following tiered registration fees (in USD) will apply to participating delegates:

Delegate Category	Onsite Participation	Online Participation
Participant (Non-Presenter)	\$10.00 USD	\$7.00 USD
Student Presenter	\$15.00 USD	\$10.00 USD
Professional Presenter	\$20.00 USD	\$15.00 USD

Details regarding payment methods will be provided upon confirmation of attendance.

We highly value the expertise and insights your institution brings to the global academic discussions. We invite you to send your faculty members, researchers, graduate student researchers and/or administrators to participate as presenters or attendees.

Please be advised that slots for both online and onsite participation are limited. Use this link to reserve your slot <https://forms.fillout.com/t/sQkP5MJzcous>. Your participation will also include the submission of your abstract.

Please be reminded of the following dates:

- **January 12, 2026:** Deadline to confirm the participation and submission of your delegates to the organizing committee to facilitate necessary arrangements.
- **January 15, 2026:** Confirmation of participation from the organizers.
- **January 20, 2026:** Submission of full paper.
- **January 23, 2026:** Announcement of clusters and dissemination of the program.

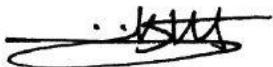

Upon submission of your abstract, please identify your cluster following this guide:

- **Cluster 1: Human Development and Social Equity** – Focuses on improving the quality of life, reducing inequalities, and fostering inclusive societies. (SDGs 1, 2, 3, 4, 5, 10, 16)
- **Cluster 2: Environmental Sustainability and Resource Management** – Focuses on preserving the environment, managing natural resources, and addressing climate change. (SDGs 6, 7, 12, 13, 14, 15)
- **Cluster 3: Innovation, Infrastructure, and Global Partnerships** – Focuses on fostering innovation, building sustainable infrastructure, and promoting international collaboration. (SDGs 8, 9, 11, 17)

Thank you for your valuable support in advancing research excellence. We sincerely look forward to the active participation of your institution in making UB TRANSCeNDS 004 a truly transformative experience.

Should you have any questions or concerns, please do not hesitate to reach out to Dr. Donnavila Marie Panday-Herbster via email at rdc@e.ubaguio.edu or text our mobile number 0912-189-3129.

With warm regards,

Dr. Javier Herminio D. Bautista
President, University of Baguio
